4) This is an important matter requiring in my opinion instructions from the Govt. to their subordinate officers.

5) The mere circumstance that the Hon'ble the Resident is the Head of the Police in the C & M St does not seem sufficient to justify the procedure adopted in this as well as in another case.

(linked) G.M. 449-15

6) A personal discussion of the matter with the Hon'ble the Resident may be expedient for placing the matter on a proper basis.

7) As the D.G. of Police has presumably taken necessary action in the matter, no orders to subordinate authorities appear to be called for.

Office of the
Inspector General of Police in Mysore.

Bangalore, 13th May 1916.

Dear Narasinga Rao.

I send herewith, for information of Government, copies of Major Tucker's letter dated yesterday and my reply thereto, regarding the watch to be kept over the Armenians and the Persians in the State.

Yours sincerely,

D. M. Narasinga Rao, Esqr., B.A. B.L.,

Secretary to Government, General Department.

I

D. O. letter dated the 12th May 1916, from Major T. H. St.G. Tucker, to Diwan Bahadur C. Srikantesvara Aiyar.

Information has been received that a Pan-Islamic conference was held recently at Vienna where it was decided to send Russian Armenians and Persian subjects to all Moslem countries to stir up trouble against the allies.

I am therefore to request that a watch be kept on the movements of Armenians and Persians in the Mysore State more especially newcomers and anything of interest intimated to me.

II

D. O. letter dated the 13th May 1916, from Diwan Bahadur C. Srikantesvara Aiyar, to Major T. H. St.G. Tucker.

I write to acknowledge receipt of your D. O. letter dated the 12th instant, regarding Russian Armenians and Persian subjects, and to say that needful arrangements have been made to keep a strict watch over them. I shall be writing again if anything of interest turns up.

C O P I E S.

I kept it to Note as Sheshan glanced on both the occasions but there was no time to reach this.

Bangalore.

June 1916.

To

The Hon'ble the Resident in Mysore,

Bangalore.

Dear sir,

I write to invite your kind attention to the fact that in certain instances ~~not apparently of any particular matters of emergency~~, communications from the Residency to one of the Durbar's officers (the Inspector-General of Police) have been sent direct instead of through the Durbar. Vide the accompanying copies of communications from Major Tucker, one of which called for certain information regarding Messrs. B. Narasimhaiengar and S. Garalapuri Sastri, Mysore State scholars studying in Europe, and, the other intimated the need for keeping watch on the movements of Armenians and Persians in the State.

2. The Durbar were only made aware of the communications in question from copies subsequently furnished by the Inspector General along with the replies sent by him.

3. There is no reason to think that any particular delay or inconvenience would have ensued if the correspondence in these instances had passed through the regular channel, which would also have allowed of the Durbar being kept informed

of the action taken or to be taken in matters ~~affecting~~ in which the State is concerned.

4. Under the circumstances, I request that if you see no objection, communications between the Residency and the Inspector General of Police may, except in rare cases of emergency, be conducted through the ~~Durbar~~. Secretariat Dept. Such communications will be treated as strictly confidential whenever necessary.

Yours sincerely,

D e w a n.
